

## CAPABILITIES STATEMENT

JPL Cares is a fully licensed, locally owned landscape, irrigation, plant healthcare, stormwater, and snow maintenance contractor serving Colorado’s Front Range since 1995. Recognized as an ASCA Top 100 Snow Contractor, we deliver reliable, high-quality services across municipalities, HOAs, commercial, healthcare, and public facilities. With over 226 years of combined leadership experience, strong workforce retention, and in-house equipment support, we ensure consistent performance and safety. Our mission—BringLife to our customers through the services we provide—drives our commitment to service excellence, long-term partnerships, and community impact.

SUPERVISOR LICENSE**

## CORE COMPETENCIES

- Landscape Maintenance & Enhancements
- Snow & Ice Management
- Irrigation Management & Repair
- Smart Irrigation Systems
- Vegetation, Weed & Fire Mitigation Management
- Stormwater, Detention Pond & Erosion Control Services
- Native Seeding & Adaptive Plant Management
- Environmental Stewardship & Sustainability Services

### NAICS CODES:

237990 - Other Heavy and Civil Engineering Construction  
 238910 - Site Preparation Contractors  
 561790 - Other Services to Buildings and Dwellings

561730 - Landscape Services  
 221310 - Water Supply and Irrigation Systems  
 237110 - Water and Sewer Line and Related Structures Construction

## DIFFERENTIATORS

- Proven municipal/public infrastructure experience
- Compliance, documentation, and reporting discipline
- Multi-site operational performance consistency
- Safety program and risk controls
- Scalable workforce with electric/battery equipment
- Sustainable environmental stewardship practices
- Water conservation and smart irrigation systems
- Native/adaptive plant strategies for resilience
- Reduce chemical, low-impact maintenance practices
- Snow and emergency response operations

Active

## PAST PERFORMANCE HIGHLIGHTS

- **Auraria Higher Education Campus**
  - Scope: Grounds Maintenance, irrigation repairs, seasonal enhancements, turf and tree care and delivered reliable campus-wide grounds services supporting high-traffic public-use facilities
- **National Jewish Health**
  - Scope: Landscape maintenance, irrigation system management, weed mitigation, and seasonal grounds services across multiple campus buildings and exterior spaces. Consistent maintenance across multiple facilities with strict compliance, coordinated access, and minimal disruption to hospital operations
- **Highlands Ranch Metro District**
  - Scope: Multi-site landscape maintenance, weed mitigation, and seasonal enhancements across multiple district-owned properties. Consistent service delivery cross multiple locations on scheduled maintenance cycles, including coordinated seasonal operations, and landscape care programs supporting well-maintained public-use spaces.
- **Lockheed Martin Facilities**
  - Scope: Landscape maintenance, irrigation system management, turf care, vegetation control, and grounds services supporting high-security, access-controlled facilities. Reliable grounds maintenance delivered with strict security compliance, coordinated site access, and consistent service standards.
- **City of Aurora Water Treatment Facilities**
  - Scope: Multi-site landscape maintenance, irrigation system management, turf care, weed mitigation, stormwater/pond maintenance, and erosion control services supporting active water treatment facilities. Consistent maintenance across critical utility infrastructure sites with proactive irrigation repairs, vegetation management, and scheduled preventive maintenance ensuring safe, compliant, and uninterrupted facility operations.
